

Coastal Skin Center Billing Policy

Cosmetic Consultation Fee:

A Physician consultation is \$100.00. Aesthetician consultation is \$25.00. These fees are not billable to insurance companies; therefore, patients who schedule a treatment will have a portion of the consultation fee deducted from their first treatment. Consultation fees are due at the time of service.

Insurance:

We do not bill insurance companies for any consultations or procedures done in the skin clinic and no billing codes are available. We do not offer payment plans on any consultations or procedures. We do accept Visa, MasterCard, Discover and Care Credit.

Canceling/Rescheduling Appointments:

Please give 48 hours notice to cancel or reschedule an appointment. Failure to show up or “no show” for an appointment, or canceling/rescheduling an appointment less than 24 business hours prior to the appointment, will result in forfeiting the entire prepayment for that visit. Messages left on the answering machine over the weekend for Monday appointments will not negate the penalty. Patients who wish to reschedule a “no show” appointment must prepay any subsequent consultation or treatment visits.

Refund Policy:

All prepaid procedures must be completed within 4 weeks of payment, or if the procedure is a series/package it must be started within 4 weeks of payment. If the procedure is not complete, or a series is not started, within the 4-week timeframe, and the patient requests a refund, then a 30% penalty will be charged. There are no refunds on prepaid packages once the treatment has started, however, the credits can be used towards another procedure of your choice. All credits must be used within 1 year; otherwise, they will be forfeited.
